Dear Parents of FY18 Bus Riders:

Please be reminded that the deadline to sign up for bus transportation for the 2017-2018 school year is Friday, June 16, 2017. ALL bus riders must register regardless of where you live, if you qualify for free and reduced lunch or not, or if you qualify for free transportation.

After June 16, a \$50.00 late fee per rider will be imposed (FAQ #11) for those who do not qualify for free transportation. **Please note that a late registration does NOT guarantee your child with a seat on an FY18 school bus. The late fee will only secure your child a spot on the waiting list until bus routes are completed.** Therefore, it is imperative should you wish to purchase a seat on an Uxbridge school bus to register by June 16, 2017.

All bus routes (and the number of buses needed to provide transportation) will be determined by August 1, 2017. Refunds will be processed in order of acceptance and paid within 60 days (please see FAQ #21 and #23).
