

PUBLIC RELEASE STATEMENT

UXBRIDGE PUBLIC SCHOOLS

The Uxbridge Public Schools is proud to participate in the National School Breakfast and Lunch Program. We offer healthy and balanced meals each day. Free and Reduced benefits are available to qualifying families. Paper applications are distributed at the beginning of each school year and are also available at each school or by visiting our Food Service website at http://www.uxbridgeschools.com/foodservice_default.shtml and clicking on the Free and Reduced application link. A new application must be filled out each school year and only one application is needed per family. Free and Reduced applications are accepted throughout the school year.

Prior to the start of the school year, if you receive a letter from the School Nutrition Director stating that your child is eligible for free lunch, there is no need to fill out an application. If you have children that are not listed on the letter, please inform your School Nutrition Director. This letter should be kept for your records.

Your child may qualify for free and reduced meals if your household income falls within the guidelines below:
