

*Attention Incoming Sixth Graders...*

*The Scholastic Summer Reading Challenge Continues!*

Congratulations on completing Part 1 of the Scholastic Summer Reading Challenge for Grade 5—100 minutes! You are now ready to open the pages to Part 2—500 minutes!

You will receive a list of required book titles for Grade 6. You must read ONE of these books and fill in the required Summer Reading Form for the first week of Sixth Grade.

In keeping with the *Scholastic Summer Reading Challenge*, you must log 500 minutes of reading time into your account that was set up for you in Grade 5.

ALL summer reading counts toward these 500 minutes. It is your job to meet or beat the challenge!

The Summer Reading Form and the Scholastic Reading Log will both count as your first assessment in English Language Arts in Grade 6.

Happy Reading! Happy Summer!  
See you in Grade 6!
