- Tissues
- Environmentally friendly wipes

## Suggested Summer Reading for Students in Grade 7

The goal of the 7th grade teachers is to have students keep reading over the summer. We would encourage students to read as many books as possible!

There is a variety of types of literature and reading levels represented on this list and they are listed by **genre** to help students choose something they may be more interested in. We have worked together with the Uxbridge Public Library so that most, if not all, of these books should be readily available. These are only suggestions, and students may choose to read any book they wish.

**For the summer reading report, please do not choose to read a book that is already a movie. Students will be given guidelines for that book report within the first couple weeks of school.**

### Uxbridge Public Library Hours of Operation

**M: 10-8, TW 10-5:30, TH 10-8, Sat: 9-2**

#### Recently added to the public library's collection:
