UXBRIDGE PUBLIC SCHOOLS RESIDENCY POLICY

The Uxbridge School Committee has adopted the following policy regarding the residency and enrollment of students. This policy has been adopted to ensure that only families who actually reside in the Town of Uxbridge have full access to educational opportunities. Furthermore, the Uxbridge School District requires stringent proof of residency in order to maintain compliance with this policy.

Pursuant to M.G.L. c. 76 §5, all children of school age who actually reside in the Town of Uxbridge are entitled to attend the Uxbridge Public Schools. In addition, children who do not actually reside in the Town of Uxbridge may enroll in the Uxbridge Public Schools, if the School Committee adopts School Choice or another school district tuitions the student into the Uxbridge Public Schools through an agreement between the Superintendent of the Uxbridge Public Schools and the superintendent of the other city or town.

When a student enrolls in the Uxbridge Public Schools, the parent/guardian or the student him/herself must provide documentation, acceptable to the administration, which establishes the residency of the student. The Uxbridge Public Schools may conduct an investigation into the residency of any student, either upon enrollment or thereafter, if any question about the student's residency arises.

In order to attend Uxbridge Public Schools, a student must actually reside in the Town of Uxbridge, unless one of the exceptions below applies. The residence of a minor child is ordinarily presumed to be the legal residence of the child's parent or legal guardian having physical custody of the child. A student's actual residence is considered to be the place where he or she lives permanently. In determining residency, Uxbridge Public Schools retains the right to require verifiable documentation and to investigate where a student actually resides. (Legal Reference: M.G.L. Chapter 76, Section 5). Moreover, staff has been advised to maintain compliance with regard to the district's residency policy, which includes the completion of all required forms. No substitutes will be permitted and registration will not be allowed without the required documents.

The principal at each school will verify the telephone number and home address of all students at least annually. Verification of residency, including updated documentation, will be required when students enter the Uxbridge School District, move from grade 2 to grade 3, move from grade 5 to grade 6, move from grade 8 to grade 9, or move to or re-enter Uxbridge Public Schools from an out-of-district program or vocational/agricultural high school. If there is any change in residency status, the parent(s)/guardian(s) will be required to notify the building principal in the school where their child is enrolled within five (5) business days of the change of address. Uxbridge Public Schools reserves the right to request additional documents and/or to conduct an investigation; therefore, the district may enlist the services of a Residency Officer/Investigator to verify a family's residency. If, in fact, a determination is made that the student does not actually reside in the Town of Uxbridge, the student's enrollment will be terminated immediately (Legal Reference: M.G.L. Chapter 76, Section 5). Immediate termination of enrollment will also apply for students currently enrolled who do not reside in the Town of Uxbridge. A parent, legal guardian, or student who has reached the age of majority (18), may appeal this determination of ineligibility for enrollment to the Superintendent of Schools, whose decision shall be final.

The district reserves the right to request documentation at times other than those specified.

Pursuant to M.G.L. c. 71 §37L, the parent/guardian or the student him/herself are required to bring a copy of the student's complete school record from previous school districts. The student cannot be enrolled until the complete school record is received. The administration will assist the parent/guardian or the student in obtaining a complete school record.

Exceptions

The Residency Requirements shall be waived under the following conditions:

- Students who fall under the McKinney-Vento Homeless Assistance Act. If a family qualifies under this act, a letter validating residency in non-permanent housing may be required as confirmation that the family is living in non-permanent housing.
- Students who are currently and legitimately enrolled in Uxbridge Public Schools who move out on or after February 1st of a given school year, or
- Students who are currently and legitimately enrolled in Uxbridge Public Schools in grade 8 or high school seniors who move out after the end of the first quarter of a given school year. These students may complete the current school year provided they have made the Superintendent of Schools aware of the move in writing within five (5) business days of such move.
- Students whose parents divorce or separate and share physical custody, provided one custodial parent remains a resident of the Town of Uxbridge and the student resides at least 50% of the time with the parent who resides in the Town of Uxbridge. (*Legal documentation must be provided to school office- Custodial Court Documentation)

Verification of Residency

Before any student is enrolled in Uxbridge Public Schools, a number of documents must be provided (see *Form B – Documentation Required for School Registration*):

- If the family is currently living with a family member or a friend, a Landlord Affidavit must be completed.
- No child will be denied access to Uxbridge Public Schools because of immigration status.
- All documents used to verify residency will become part of the student’s record whereby confidentiality will be protected under The Family Educational Rights to Privacy Act (FERPA).

Potential Waiver When Residency is in Transition

For students whose residency is in transition, the following exceptions to the general policy may apply, with prior written approval from the Superintendent of Schools:

Pending Purchase of Dwelling: The children of families who have signed and accepted Purchase and Sale Agreement to purchase and reside in a dwelling in the Town of Uxbridge may be enrolled up to 30 calendar days in advance of the time actual physical residence occurs. If actual residence occurs later than 30 days after enrollment, students may be asked to leave the Uxbridge Public Schools until actual residence occurs.

Construction of New Dwelling: Children of families who are building a primary residence in the Town of Uxbridge may enroll in the Schools at the beginning of the school year if they have obtained a certificate of occupancy from the Town.

Notification

The residency policy of Uxbridge Public Schools will be published in the district’s School Committee Policy Manual, school handbooks, and on the district website. At the time of enrollment, parent(s)/guardian(s) will endorse in writing that they have read and agree to the district policy. If there is any suspicion of residency violations, concerns may be reported by calling 1-508-278-8648.

A determination of any violation of the residency policy via falsification or misrepresentation of information may result in immediate termination of enrollment as well as the enforcement of certain penalties (e.g., reimbursement for educational costs for the time the student did not actually reside in the Town of Uxbridge).
