

Copies of the Draft Contracts for Units B, C, and D are located in the Business Manager Section of the online packet.

The Unit B, C, and D Contracts were ratified at the School Committee meeting held on June 26<sup>th</sup>. All changes are indicated in BOLD print. If the new language replaces old, we have left the old language with “~~strikethrough~~” next to the new replacement language. Any new language will not have corresponding “~~strikethrough~~” language.

Once both parties are comfortable that all changes that were ratified are incorporated into the new contract, a final version will be created for signing by both the School Committee and the bargaining unit.
